

## COMPANY CORRESPONDENCE

TO DIV: Corporate Purchasing  
FROM DIV: Specialty Chemicals  
LOCATION: Morristown  
LOCATION: Haledon Works  
ATT'N OF: N. R. Capuano, Purchasing Agent  
DATE: July 29, 1971  
SUBJECT: AGREEMENT - SCIENTIFIC CHEMICAL  
TREATMENT CO., INC., CHEMSOL DIV.

I again call your attention to the subject agreement. On July 19 you forwarded to me a letter dated January 12, 1971 from Scientific Processing, Inc. I specifically refer to Paragraph 4 of this letter. This states "Scientific Processing, Inc. will assume responsibilities on open accounts due you as of this date".

I do not know whether to consider an agreement entered into by Chemsol Division, Scientific Chemical Treatment Co., Inc. signed by Mr. Marvin H. Mahan can be transferred to and the Processing Company assume liability for the agreement with as indefinite a statement as quoted above.

Is this, in fact, covered by the above referred to letter from Scientific Processing, Inc. dated January 12, 1971.

I recommend that this be referred to Allied Legal Department.
